

December 2020

Dear Friends of LuMinHoS!

When we launched a video, hoping to replace our annual fundraising banquet, we had no idea how it would impact our revenue: we had set a lofty goal of \$10,000 - what would our return be?

*As of now 54 individuals donated a total of \$11,403.75 via the various ways we had suggested as means to donate. This is a **tremendous gift** to LuMinHoS and we are so thankful to you and our gracious God! The work of our Chaplain Richard can go on; patients are visited and spiritually cared for in these trying times.*

We dare imagine what would happen if everyone on our e-mail list were to donate even a small amount! We had reached over 200

*households—there are many more faithful donors not on our e-mail list. So, please, spread the word—particularly to friends, who may not be “electronically” connected and didn’t have a chance to view the video: We are **ALWAYS** open to donations.*

Our heartfelt thanks go to all who support LuMinHoS throughout the year and particularly at this time when we dare not reach out with a handshake to thank everyone.

May the Christ, in whose name LuMinHoS works in hospitals of Saskatoon, bless you at Christmas and during the coming year.

For the Events Committee,

Renate Bishopp

Ps: If you know any of the artists featured on the video please acknowledge them!
